***Reasons for Allowance***

1. Claims 1-3, 8, 10-17, 19-25, 28-31, 36, 42, 47, and 56 are allowed over the prior art of record. Claims 1, 2, 3, 8, 10-17, 19, 23, 24, 25, 20, 21, 22, 28, 29, 30, 31, 36, 42, 47 and 56 are renumbered as 1-27 respectively.
2. Examiner agrees with Arguments, see page 26, line 20 – page 27, line 17 of the Amendment filed on 9/14/04. The prior art of record does not teach or suggest changing the distributing ratios between the first and second areas while keeping the number of scans the same between those areas nor that any of the processes using an index pattern, error diffusion or dither processes being different as compared between the first and second areas nor that printing elements used for printing are sifted between the first and second areas without changing the number of printing elements used for printing.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably **accompany** the issue fee. Such submissions should be clearly labeled Comments on Statement of Reasons for Allowance.
